# Horizon hunt

## Event Overview :

Gear up for a battle of brains and innovation! In this high-stakes event, teams will identify, ideate, and pitch revolutionary solutions to real-world challenges. The challenge tests not only your analytical and creative thinking but also your ability to design a feasible, scalable, and high-impact solution capable of dominating the future of industry and society.

## Team Specification and Eligibility :

- Each team can have a maximum of 4 members.
- Participants must carry valid student ID cards from their respective colleges.
- A team may consist of students from different colleges.
- Certificates of Excellence will be awarded to the top three teams.
- Teams must bring their own laptops, chargers, and presentation materials - nothing will be provided by the organizers.
- The organizers reserve the right to modify rules as necessary.
- The judge's decision will be final.
- Any change in rules will be updated on the website and notified to registered teams in advance.

## Problem Statement :

Design and develop a comprehensive solution (Abstract/Model/UI) for a problem within the following tracks:

- Sustainable Energy Transition
- Digital Innovation in Petroleum
- Circular Economy & Waste Management

The design should ensure feasibility, balance, and efficiency. A prototype or wireframe is recommended for better impact but is not mandatory.

## Technical Specifications :

- Presentation Format: PDF/PPT with a maximum of 8 slides.
- Pitch Duration: 15 minutes (10 mins pitch + 5mins Q&A).
- Originality: No use of plagiarized content or pre-existing commercial products.
- Submission: Concepts must be team-fabricated; no outsourced work allowed.

## Round of Competition :

**Round 1:** Pdf submission via provided email. Once the pdf is submitted you are not allowed to change any content of pdf and will be presenting the same in the arena.

**Round 2:** The event consists of a presentation in the arena with strict timekeeping:

- If a presenter halts or goes off-topic for too long, a time warning will be given.

- All the members of the team are allowed on the stage during the pitch.
- Teams cannot modify their presentation files once the round has started.
- Intentional disruption of another team's presentation will result in disqualification.
- Any technical discrepancy during the pitch will be resolved by the organizers and judges - their decision is final.

## Scoring Criteria :

The winner will be the team that scores the highest based on the following:

- Innovation (30%): How unique is the idea?
- Feasibility (30%): Can this be implemented in the real world?
- Impact (20%): How many people/industries does it benefit?
- Presentation (20%): Clarity, design, and handling of Q&A.

## Penalties :

- Exceeding the time limit: -5 points per 1 minute
- Missing the presentation slot: Disqualification.
