## Rule :

### 1. Team Composition

- Each team shall consist of 7 players on the playing field at all times.
- Each team may have up to 5 substitutes, who may be rotated into the game during stoppages in play.
- Substitutions shall only be permitted during breaks in play.

### 2. Match Duration

- A standard Kabaddi match consists of two halves, each lasting 20 minutes.
- In the event of a tie at the end of regular time, the tie breaker will be played:

Players: Both teams field 7 players.

Raids: Each team gets 5 raids, alternating turns.

Modified Lines: The baulk line also acts as the bonus line.

Scoring: Only touch points count; traditional revival/out rules are suspended

Winner: The team with more points after 5 raids wins.

Golden Raid (If tied after 5 raids)

Toss: A fresh toss determines who gets the first Golden Raid.

Winning: If the raiding team scores a point, they win instantly.

Defenders Win: If the raider fails to score, the defending team wins.

### 3. Gameplay Rules

- The match commences with a coin toss to determine which team will raid first.
- Teams alternate raiding, with one player from the attacking team (the raider) entering the opponent's half of the field.
- The raider must tag defenders and return to their side of the court while continuously chanting "Kabaddi" without interruption.
- If the raider is successfully tackled or prevented from returning to their side, they are declared "out."
- The defending team's objective is to stop the raider using legal tackles or by preventing their safe return to their side.

## **4. Scoring System**

- Raider's Points: A raider earns one point for each defender they tag and successfully return to their side.
- Defending Team's Points: The defending team earns one point for successfully tackling the raider and preventing them from returning to their side.
- All-Out: If a team eliminates all members of the opposing team (i.e., all seven players are out), the team earns two additional points.
- Bonus Points: Bonus points are awarded if a raider crosses the bonus line with one foot in the air while performing a successful raid.

## **5. Fouls and Violations**

- Raider's Chanting: The raider must continuously chant "Kabaddi" during the raid. Failure to do so will result in the raider being declared out.
- Stepping Out: Any player stepping outside the designated playing area will be considered out.
- Illegal Tactics: Holding a raider's jersey or hair, or engaging in dangerous tackles, is prohibited and will result in penalties.
- Unsportsmanlike Conduct: Arguing with referees or engaging in unsportsmanlike behavior will result in warnings, suspension, or disqualification depending on the severity of the action.

## **6. Player Conduct and Fair Play**

- Players must demonstrate respect for both the referees and their opponents at all times.
- The use of abusive language, violent behavior, or actions that undermine the integrity of the game is strictly prohibited.
- Misconduct may lead to warnings, suspension, or disqualification at the discretion of the officials.

## **7. Super Tackle and Special Rules**

- A Super Tackle occurs when three or less defenders successfully tackle a raider. In such cases, the defending team will be awarded an additional point.
- The team in the lead is required to maintain a fair approach to both raiding and defending and must avoid any stalling tactics that would intentionally delay the game.

## **8. Winning the Match**

- The team with the highest score at the conclusion of the match will be declared the winner.
- In the event of a tie score at the end of the match, a tiebreaker procedure may be implemented as per the tournament rules.

**All the matches will be on Knockout basis. FINAL DECISION will be taken by the Officials.** These official rules are designed to ensure a fair, competitive, and enjoyable game of Kabaddi. All players are expected to adhere to the rules and foster a spirit of sportsmanship throughout the duration of the match.
